C/o Legislative Budget Committee
501 N. West Street, Suite 201-B
Jackson, MS 39201

Dear Legislative Budget Committee Member:

Please find enclosed the FY 2017 budget request for Mississippi's Public Trust Tidelands Fund administered by the Mississippi Department of Marine Resources (MDMR). This budget request focuses on the legislative priorities of conservation, reclamation, preservation acquisition, education and the enhancement of public access to the public tidelands.

The Tidelands fund plays a significant role in providing needed marine conservation and educational programs, as well as water-dependent infrastructure to coastal communities. This fund also serves as the required non-federal match used to leverage additional federal program revenue to the State of Mississippi.

Thank you for making the State of Mississippi a better place to live and work. Please feel free to contact me at any time should the committee have questions regarding this request.

In appreciation,

A handwritten signature in blue ink that reads "Jamie M. Miller".
